## Northridge High DECA

### NORTHRIDGE HIGH SCHOOL

#### Activity Disclosure Statement & Parental Consent Form

Your student is seeking membership in the Northridge chapter of DECA. We are an international association of high school and college students studying marketing, management and entrepreneurship in business, finance, hospitality and marketing sales and service. The DECA program will involve students in the community service, career exploration, socialization, and leadership activities.

The Lead advisor for Northridge DECA is Mr. Robert Shaffer. Participation on some events (including competitions) may require addition personal costs, though the organization will do what it can to offset these expenses.

I \_\_\_\_\_ (student name), have been informed by my advisor of the District policy prohibiting hazing and initiation,. As a condition of my participation in DECA (student marketing club), I agree to abide by this policy and refrain from hazing or related initiation activities of any kind. I understand that my involvement in any hazing or initiation will result in disciplinary action, which may include suspension, expulsion, exclusion, transfer to a different school, and/or loss of participation in all extracurricular activities.

From time to time students will be required to travel to other sites for activities and/or projects. Students are required to provide their own transportation. If a school bus is provided, students must ride the bus to and from the activity. If students must leave early, a parent must provide the transportation and check in with the advisor.

Any and all money raised for this club belongs to the school and not the individual students participation in the fund raiser. Money paid to the school for an activity or a trip may not be fully refunded. NO REFUNDS full or partial will be given once registration fees and/or expenses have been paid for the student.

I hereby give permission for my student to participate as a member in the DECA organization.
